

**Basic resistance  $R_o$  of the GGS 1000  
in dependence on temperature**

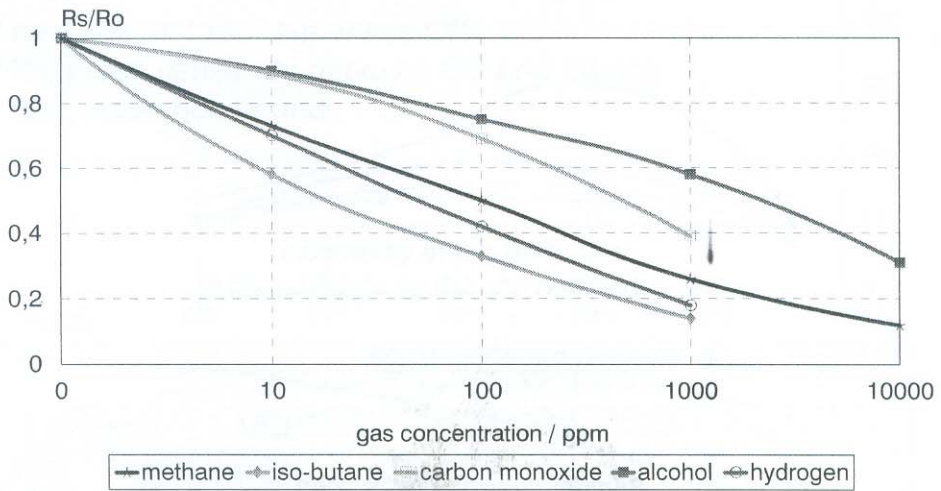

**Sensitivity of the GGS 1000  
in dependence on temperature**

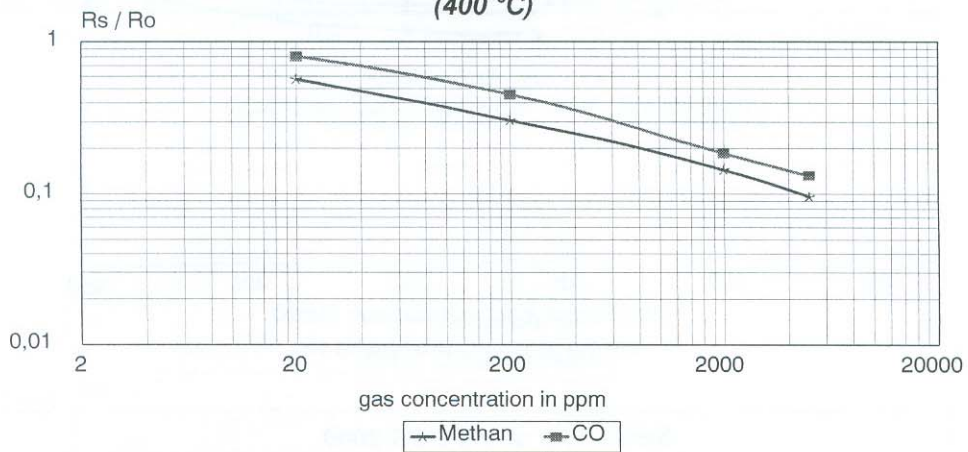

**Long time test of GGS 1000  
in dependence on gas concentration**

**Sensitivity of GGS 1000  
opposite various kinds of gas**

**Sensitivity of GGS 1000  
in dependence on gas concentration  
(400 °C)**

**response time and decay behaviour  
of GGS 1000**
